HorseGroup receives DMCC license and operates in Dubai Free Trade Zone

July 2, 2019

Published by HorseGroup

HorseGroup Group obtained the DMCC license (DMCC-711698) and set up an international service center in the Dubai Free Trade Zone.

The Dubai Multi Commodities Center DMCC was established in 2002 by the Royal Decree. Today, DMCC has become the world's leading commodity trading center, and has been named "the world's leading free zone" by the Financial Times - Foreign Direct Investment (FDI) magazine for three consecutive years. As the largest and fastest growing free zone in the UAE, the DMCC has attracted more than 15,000 companies from 170 countries, mature

industrial clusters and world-class infrastructure (DMCC vault, Dubai Diamond Exchange, digital platform, foreign exchange) Platforms and trade flow platforms, etc.) provide the conditions and environment for foreign financial institutions to become the core attraction.

The DMCC is an independent government department and independently supervises and manages corporate trade, operations, investment behavior, financial products and services in accordance with the law; it is the regulator of the banking industry in Dubai, securities, foreign exchange, insurance, etc.; it is an important part of Dubai's financial system. component. The DMCC has established several trading platforms. The gold trading volume in the DMCC accounts for about 25% of the global gold trade. Most of the transactions are conducted in the DMCC Free Zone. The Dubai Diamond Exchange is the only diamond and colored gem exchange in the Middle East. .

Horseforex has earned the industry's high recognition for its high quality service and stable and secure trading platform since its inception, as one of the industry's leading and respected traders. In recent years, the economic growth in the Middle East has maintained strong growth, becoming one of the most affluent and fastest growing regions in the world. The HorseGroup business will cover the globe and provide citizenship to more than 120 countries and regions in Europe, the Middle East, East Asia and Southeast Asia. Sports real estate, entertainment media, online finance and other diversified businesses. Dubai has become the world's leading and fastest-growing commercial and financial center, attracting the attention of many retail forex brokers around the world. Since 2002, DMCC has been recognized by investors from all over the world. Its wide recognition is derived from strict The financial supervision and management system and direct and efficient execution, directly equating DMCC with security, is considered to be one of the most stringent financial supervision and management systems in the world.
