

## Vietnam Exhibition 21<sup>st</sup> of September 2019

HorseForex attended as a sponsor for the WIKIFX EXPO in HOCHIMINH CITY in Vietnam took place on the 21st of September 2019. The event welcomed over 3,000 attendees and around 30 forex exhibitors, as well as 25 guest speakers whose presentations kindled enthusiastic response from the audiences. HorseForex team were there to provide to any interested client our company and how we do operate. Corporate brochures were given to everyone and questions we answered by the team members. Hence, our team presented in front of the audience our company history, values and explained how technology may have an impact on the Forex Industry. The whole event was very successful as many people showed interest in HorseForex, thus, this will act as milestone in continue doing our best in order to meet customers' needs and continue providing all the tools to make trading an ultimate experience with transparency and act at the best for the client.
